Name: Ar. Anisha M.A

Designation: Assistant Professor, MCAP, Thiruvananthapuram

Educational Details

B. Arch – 2017

School of Architecture and Planning, Chennai

M.Tech - 2021

Indian Institute of Technology, Kharagpur

About: After completing B.Arch in 2017, I started my career as an academician in College of Architecture Trivandrum in the same year. The experience I gained in one year triggered me to do the Masters in Infrastructure Design and Management, so that I can serve well as a teaching professional. After completing my Masters from IIT Kharagpur, I continued my academician career as an Assistant Professor in College of Architecture Trivandrum. Meanwhile I continued working on my Architectural passion through few small Residential projects under my own firm, 'MARA'. Later I joined MCAP Group as an Assistant Professor and continuing so till date.

Interest: Working on creative design solution. Universal design planning, landscape and passive energy efficient techniques.

Achievements (Awards/ Conference Presentations / Publications / Trainings)

- Conducted 'Revit Architecture' workshop for 40 students in CAT
