

**Name:** Ar. Goutham S

**Designation:** Visiting Faculty MCAP, Thiruvananthapuram

### **Educational Details**

**B. Arch – 2011**

TKM College of Engineering, Kollam

**M. Arch in Urban Design – 2016**

SPA, Delhi

**About:** Goutham is a practicing architect with more than 10 years of professional experience and an academician with more than 6 years of teaching experience (visiting). After brief practice as a junior architect in a reputed firm and architect of various independent commissions he partnered in

founding KAAV in 2017, an award-winning design practice based in Thiruvananthapuram. KAAV is currently involved in projects of various scale and character, ranging from product design, interior design, architecture, landscape and Urban design. In its short tenure KAAV already secured various awards and nominations in both national and state level. Apart being a practising architect, he is

quite keen in academics even from early days of his professional life. He is collaborating with various academic institutions under various capacities. He has more than 6 years of teaching experience as a visiting faculty, also he is often invited as a Juror, Workshoppe mentor etc in various prominent institutions across country.

**Interest:** Goutham's primary interest lies with exploring ideal spatial narratives suited to the contestand user. For same he believes in perfect synchrony between research and practice. His main

explorations extend in the field of landscape, urban design and anthropology.

### **Achievements :**

- KAAV got shortlisted among top 4 in National level for best unbuilt architecture (IIA National 2020)
- Entry proposed by KAAV along with AUM (Architectural studio) and Design tribe (Architecturalstudio) for REWEAVE KOZHIKODE (a national level competition organised as part of YAF 2022) selected among top 6 finalists
